

Marilyn Fischbach

Reading & Writing Grants

How to Apply...

About the Grant...

The Benton Community Foundation, with support from the Marilyn Fischbach Reading and Writing Fund, is pleased to invite applications for mini grants for teachers in the local elementary schools. The purpose of the grant program is to supply local teachers with additional funding to facilitate unique learning opportunities with their students. Last year, grants supported many literacy tools for various grade levels, items to enhance the learning environment, science and social studies newsletters, social emotional learning tools, and much more!

Step 1: Write a letter!

Draft a one-page letter describing what you would like funded and why it will support your students.

Step 2: Find the Cost!

Submit a document that supports the cost of your request: a catalog, receipt, Amazon list, etc.

Step 3: Get your Principal's Signature!

We require applications to be signed by your Principal, so they will also know of your request.

*Review from Superintendent

Step 4: Send it to us!

The most important step: Email your application to bentoncommunityfoundation@gmail.com.
Deadline is September 24.
